Dear Patients:

I am writing this letter to inform you that I will be leaving my medical practice at Mid-Main Community Health Centre as of June 30, 2018. I have appreciated the opportunity to be involved in your care.

Mid-Main is currently seeking a replacement physician. As an interim measure, if you require a medical appointment after June 30, 2018, you may book with other members of our clinical team as appropriate, based on their availability. Our medical staff will do their best to ensure timely care but are not able to take requests for the transfer of your care to another Mid-Main physician.

If you wish to access your primary health care outside of our clinic and require your records, please provide us with a transfer request and we will forward your medical records.

It has been a privilege to be your family physician.

Warm regards,

Dr. Haseena Majeed
